PRICE ONE CENT

### 1912 NOMINATIONS 12 OFFICES TO FILL

### 30 Men Nominated for Sophomore Offices---Dues Must Be Paid

Huntington Hall yesterday was the scene of the first meeting of the senior class for the year. President Stewart called the meeting to order to decide the question of the nominations for class officers.

The minutes of the last meeting were read by Secretary Duffield and approved. Treasurer Gould's report showed the total receipts to be \$127.62, and the expenditures \$114.19, leaving \$13.43 on hand. As \$25 is owed to Technique 1910, and money is needed to pay for the class relay team's sweaters—the class is behind financially.

President Stewart discussed the matter of nominations and the necessity of choosing good men for president and secretary, as these positions will require much energetic work after the class leaves the Institute. Nominations must be signed by ten men and should be in by Saturday, Oct. 16, at 10 A. M. The ballots will be out Monday, and are due Wednesday, Oct. 20. Elections will be announced Thursday, Oct. 21.

Since only a small part of the past dues have been paid up, a motion was made and accepted whereby members of the class will be allowed to ballot only upon presenting receipts for their past dues, or upon the paying up of the same.

The dues for the coming season are to be collected by the treasurer. An amendment was passed providing that the list of names of men who have not paid their dues be posted by Saturday, Oct. 16.

All seniors in doubt as to their standing should see the Union Bulletin Board at once.

Payments will be received at the Cage window in the Union living room, on Friday, from 1:30 to 2, and on Saturday from 12:30 to 1.

### AVIATION COURSE

### Henry A. Morse Studying Flying in Germany and England

Decision upon starting a course in aeronautics at the Institute has been postponed until the return of Henry A. Morse from his trip around the world. Mr. Morse 1893, is one of a committee of three, Hon. Butler Ames 1896, Henry Howard 1889, appointed to report on the advisability of such a course. Mr. Morse left in the summer, but was notified of his appointment while abroad.

He is investigating the courses in aeronautics at the university of Paris and at schools in Germany and England. The possibility of such a course has been received with enthusiasm by the engineering students at the Institute, many of whom have signified their desire to enroll.

#### CALENDAR.

##### Thursday.

1:00 P. M.—Meeting in 22 Rogers for all interested in golf.

4:00 P. M.—Musical clubs meet in the Union.

4:15 P. M.—Candidates for Assistant Managership of Technique 1911 meet in Union.

4:30 P. M.—Practice at Field.

##### Friday.

1:00 P. M.—Meeting of Chess Club in 8 Eng. C.

4:15 P. M.—Tennis preliminary rounds must be played off.

4:30 P. M.—Practice at Field.

### NOMINATIONS FOR CLASS OFFICERS CONSIDERED

### Senior Class Hold Meeting---Ask for Payment of Dues

Nominations for sophomore class officers were closed yesterday at 4:15 P. M. The polls will open Monday, Oct. 15, at 9 A. M. and close Thursday, Oct. 21, at 4 P. M. All members of the class are expected to pay class dues before 9 A. M. the same day.

The nominations follow:

President—(Vote for one man)—Archibald Eicher, H. E. Kebbon, A. G. Herreschoff. Vice-President—(Vote for one man)—C. H. Albee, H. D. Kemp, H. H. Partridge. Secretary—(Vote for one man)—D. E. Bent, G. M. Keith, H. S. Seelye. Treasurer—(Vote for one man)—E. G. Brown, C. H. Carpenter, J. S. Martin. Executive Committee—(Vote for two men)—J. L. Berry, H. R. L. Fox, S. R. McKellar. Institute Committee—(Vote for two men) D. Benbow, H. W. Hall, E. B. Moore. Athletic Committee—(Vote for five men)—A. T. Bennett, V. V. Bullard, H. S. Benson, F. H. Busby, P. W. Dalrymple, H. Greenleaf, J. J. Murray, M. G. Oettinger, S. E. Reed, E. H. Schell, J. I. Taylor, H. G. Watkins.

### PERSONAL HYGIENE

### Professor Sedgwick and Dean Burton Address Freshmen

Care of the body as well as the mind was emphasized yesterday by Professor William T. Sedgwick of the Biological Department of Technology at the first of his series of talks on "Personal Hygiene" to the freshmen.

Dean Burton made a few introductory remarks on the interest that the faculty of the Institute takes in the student body, and urged them to keep in good health by taking part in athletics and doing gymnasium work as much as possible.

Dr. Sedgwick paid particular attention to the care of the eyes and ears as these two organs were to be used to a large extent while at the Institute. He declared that a student could not do good work unless in a good state of health and that each student should look himself over and see to it that he kept himself in good condition for the strain that comes to a student at the Institute during his stay here.

### MISS JOHNSON FOUND

Miss Elizabeth G. Johnson, the missing librarian of the physics department, was found in the city hospital for the insane on Deer Island, yesterday. Miss Johnson had been in the hospital for a month, under the name of Williams. It is understood that she was committed there by her own physician.

The hospital physicians say that Miss Johnson is mentally unbalanced by overwork and worry. Her condition, although serious, is improving and hopes are held for a complete recovery.

Miss Johnson has been missing since Aug. 12, when she left her lodgings, writing to her aunt that she was going away for a rest.

### FRESHMEN WIN 5 to 0 1913 DEFEATS DEAN

### Freeman Makes Touchdown in Second Half Intercepts Forward Pass

Yesterday's game between Dean Academy and 1913 resulted in a freshman victory, 5-0. The score was made in the second half when Freeman intercepted a forward pass and ran down the field for a touchdown. The teams were very evenly matched, 1913, however, having a slight advantage on offensive work. The second half when Freeman intercepted a forward pass and ran down the field for a touchdown.

Block, re.....le, May, White Murdock, rt.....lt, Woodward Capin, rg.....lg, Webster Gustin, c.....c, Robbins Gibson, lg.....rg, McKenna Ichon, lt.....rt, Myers, Berry, Shaw Gans, le.....re, Shaw, White Sallon, qb.....qb, Baffett Goth, rh.....lh, Chamberlin, King Freeman, fb.....fb, Houston Whitman, Merrill, lh.....rh, Jordan Wallis, referee; Williams, umpire; Ridell and Wahl, linesmen. Time—20 minute halves. Score—5-0—Freshmen.

### SHOW BUZZ WAGON

### Final Arrangements Have Been Completed for Field Day

Arrangements have been completed for the big Show Buzz Wagon that is to go out to the Field on Nov. 5. The biggest machine in town has been secured for the whole afternoon, and the indications are that it will be filled to overflowing with about forty old Show members, all determined to paint the Field, town, or anything else that happens to come along, the brightest red possible.

Field Day begins 2:15 P. M., and in order to be there when the opening gong taps that will start the fun, the Show Wagon will start from Rogers at about 1:40. From there it will wend its hilarious way out to the Field, where it will take up its stand for the afternoon. There will be lots of noise aboard in the shape of tin horns, bugles, music, and songs, so if you want to make yourself heard in the joyous tumult, you would better come armed with something that can be heard at least a mile. Also remember the words of the songs from previous Show songs, as the singing will be one of the big features of the day.

Invitations are soon to go out to all who have been connected with the Show except the sophomore class. This is in accordance with a time-honored custom that no underclassman shall ride in any of the Field Day Buzz Wagons, as he is supposed and expected to be with his classmates on this day of their final interclass competition. Upon receipt of his invitation, each man is urged to make application for his seat as soon as he can, as there are only about forty seats, and about eighty people who want to go. On this account the seats will be assigned in order of application.

#### Y. M. C. A. RECEPTION.

All students of the Institute are cordially invited to a reception held under the auspices of the Boston Y. M. C. A., at the First Methodist Church, Temple street, rear of State House, Tuesday evening, Oct. 14. Refreshments will be served and an orchestra will furnish music. Dr. Borden P. Bowne and Dean Bigelow, of the Boston Law School, will be the speakers of the evening.

### SEVENTEEN MEN RUN FINE SHOWING MADE

### Pace Set by Coach Kanaly---Fine Weather Helps Men

Yesterday afternoon seventeen men participated in the first run of the cross-country team, over the Harvard-Tech course, for this season. The course was in fine condition and the excellent weather conditions gave the men a good chance to show their speed.

The pace was set by Coach Kanaly. It was a fast pace, but not as fast as a trial would be. Coach Kanaly is to be congratulated upon the form the men showed at this early date.

Four of the most prominent and promising men failed to show up. In order to get a team which will do honor to the Institute, all men must show up at practice. This is most necessary this year as we will probably have the Intercollegiate cross-country run over our course and a fine showing is desired.

An interesting event was the fine finishes of Mills 1910, and E. Ferry 1912, who ran a very spirited sprint to place. All the men finished in good condition, however. Byland 1913, showed up very well. He made a reputation as a runner while in the Derby High School, Derby, Conn.

The men who ran were: H. G. Watkins 1912, Elmer Jacobs 1910 (Capt.), H. S. Benson 1912, L. O. Mills 1910, E. Ferry 1912, Kenneth Cartwright 1912, E. W. De Witt 1911, Byland 1913, H. M. Foley 1912, B. C. Huber 1910, J. I. Taylor 1912, J. Ahlers 1910, G. Frisbee 1910, E. W. Wittengill 1913, L. O. French 1910, O. C. Lombard 1912.

### NEW BOOK PUBLISHED

"Concerning the Massachusetts Institute of Technology," the new book published by the undergraduates at the Institute for the information of new men and those intending to come to the Institute will be distributed to the undergraduates this week. These books are free, but owing to a deficit of \$50 due to their free distribution among preparatory schools and undergraduates, any persons who feel able are requested to contribute something to help make this up. These contributions may be made through the Tech office.

### COURSE III NOTES

### Summer School Abolished On Account of Registration

So many men of Course III obtained professional positions in mines last summer that the summer school in mining engineering was abolished. Prof. Richards considers that this attainment of positions is a very good indication of the ability of Tech men. The instruction received in the mines is so much more valuable in its character than can be given in summer schools that as long as this condition prevails there will probably be no vacation school for Course III men.

In the sophomore team, which has just started a campaign with the local school elevens, Technology has one of the cleanest aggregation of players seen on a school gridiron in years. The men are quiet and their manner is bound to make a good impression wherever they play this season.—Boston Journal.

## THE TECH.

## PIRATES AGAIN WIN

In the fast and well played game yesterday at Pittsburg, the Pirates won their third victory over the Detroit Tigers by the score of 8 to 4. "Babe" Adams again showed his real worth by holding the heavy hitting Tigers down to six hits, and with excellent backing by his team-mates allowed but four Tigers to cross the pan.

On the other hand, Summers was very easy for the National League champs, and was relieved by Willet in the eighth inning. A remarkable feature of the game was the fact that three home runs were made, one each by D. Jones, Crawford and Clarke, the latter's being his second of the series.

Both teams scored in the initial session, D. Jones hitting a home run for the Tigers, and Summers forcing in a run by passing Abstein with the bases crowded.

Pittsburg scored one in the second and also in the third inning by bunching hits, the Tigers tied the score in the sixth as a result of hits by Cobb and Crawford, and a wild throw by Wagner.

Pittsburg won the game in the seventh by scoring four runs off Summers on singles by Byrne and Leach, a home run by Clarke, and Wagner's steal of second and third, after being hit by a pitched ball and Schmidt's error.

The scoring was ended when both teams scored one run in the eighth, the Tigers on the home run by Crawford, and the Pirates on hits by Wilson and Gibson.

The score:

	1	2	3	4	5	6	7	8	9	r	h	e
Pittsburg	1	1	1	0	0	0	4	1	x	8	10	1
Detroit	1	0	0	0	0	2	0	1	0	4	6	1

Batteries: Adams and Gibson; Summers, Willett and Stanage, Schmidt.

### CAMP "OSSIAUKEE."

Camp "Ossiaukee" has been reported a great success by its members. Outside of the usual camp activities, drawing, woodwork, venition iron and brass work were taught—several hours each morning being devoted to this work.

Mr. Gideon had general supervision of the camp and outdoor sketching and study. Mr. Breed was in charge of aquetics and nature study.

## EXCHANGES

Interclass and inter-fraternity tennis tournaments are held each fall at Amherst.

A course in advanced descriptive geometry is now offered at Amherst, similar to that for students of civil engineering here at the Institute.

The Pennsylvanian, the daily of the University of Pennsylvania has plans for a wireless station to communicate with Cornell, Columbia and Princeton. Intercollegiate notes will thus be exchanged daily between the universities.

The annual convention of Chinese students was held at Colgate University last summer. A debate between the Chinese students from Pennsylvania and Cornell resulted in a victory for Pennsylvania.

During their free hours, students at Columbia earned last year \$100,233.36.

"The Messiah" will be given about Christmas time at Williams, by the Mendelssohn choir.

The annual geological excursion of the New England colleges and universities was taken in the North Berkshire hills, Saturday. The start was made from Pittsfield.

On November 5, the date of the Princeton-Dartmouth game, Princeton will hold an interclass rowing regatta. There will be races between four eight-oared and two four-oared crews.

The Carlisle Indians scored 71 points in the first two games they played this season.

One of the new features of the curriculum at the University of Vermont will be a department of home economics.

By the will of C. C. Cupler, Princeton University receives \$100,000 now and about \$3,000,000 at the death of Mrs. Cupler.

A cup has been awarded at Syracuse to the man of the highest scholastic standing among those who have won the varsity letter.

Undergraduates at the University of Maine have gone on a general strike because the faculty requested the signing of an agreement to abolish hazing.

The University of Pennsylvania had headquarters at the Seattle Fair last summer, as a gathering place for alumni who visited the Exposition.

Cooper Union in New York has just completed the enrolment of its classes in science and art for the present year, and 3,035 students have been admitted out of 7,490 applications. The enrolment is pretty evenly divided between the courses in the schools of science and those in the school of art. The number admitted represents the total capacity of the present building.

A class in civics will begin on Oct. 25. Special study will be made of the agencies for preserving public order, safety and health, for developing public works and for promoting education with reference to their work in New York. A course in economics will begin on Oct. 28.

### NOTICE

1913.—Election poles close promptly at 4 P. M., Saturday, Oct. 16, 1909. Ballots not signed will not be counted, neither will ballots unaccompanied by dues one dollar (\$1), whose signers have not previously paid their dues.

#### FOURTH YEAR.

Fourth year, Dynamics of Machines will meet in room 21 Eng. B, on Saturdays instead of 20 Eng. B.

1910—Meeting of senior class, Wednesday, Oct. 13, at one o'clock, in Huntington Hall. Nominations of class officers.

The Tech offers good opportunities in the circulation department. See the circulation manager at once.

#### FACULTY NOTICE.

##### French II.

The following sections are divided each to form two new sections, as follows:

- Section 1, 3.
- Section 1, 3a.
- Section 1, 3b, A-L, M-Z.
- Section 5, 15a.
- Section 5, 15a a. Section 5, 15a b, A-M, P-Z.

The new sections will recite as follows:

- Section 1. 3a. Tuesday 10-11, 22L, Mr. Blachstein, instructor; Thursday, 11-12, 22L, Saturday, 11-12, 22L.
- Section 1. 3b. Tuesday, 10-11, 29L, Mr. Erhardt, instructor; Thursday, 11-12, 29L, Saturday, 11-12, 29L.
- Section 5. 15a a. Monday, 9-10, 22L, Mr. Blachstein, instructor; Wednesday, 11-12, 22L, Friday, 10-11, 22L.
- Section 5. 15a b. Monday, 9-10, 29L, Mr. Erhardt, instructor; Wednesday, 10-11, 29L, Friday, 10-11, 29L.

#### NOTICE.

##### LECTURE ON POLARIZED LIGHT.

A course of lectures on Polarized Light experimentally treated (No. 813 of the Subject List) by Professor Cross will be given in room 22 Walker, at 4 o'clock on successive Monday afternoons, beginning Oct. 25, should there be sufficient desire therefor. It is open to students of 3d, 4th and graduate years. No examination will be given.

The parallel course No. 812, Wave Theory and Polarization, mathematically treated by Dr. Comstock, will also be given if called for.

Students desiring to take either or both of these courses should send their names to the registrar. 14-15-16-17-18

1911.—All back dues of the junior year must be paid on or before Saturday, Oct. 16. No member of the class with unpaid dues will be allowed to either hold office or to vote in the coming election.

Students who wish to have returned to them the reports of Physical Laboratory work performed during 1908-09 should apply at the Physical Laboratory any afternoon. All reports not called for before Nov. 1, will be destroyed. 14-15-16 W. J. DRISKO.

1910.—Nomination papers for class officers will be received at the Cage until 1 o'clock Saturday, Oct. 16, 1909. 14-15-16
